Role
St John Rivers

Actor
Jamie Bell

Movie
Rocketman

Movie
Jane Eyre

Role
Bernie Taupin

■ = value assigned to node

~~■ = value assigned~~

■ = label assigned to each node

Each line will be read in, each element (movie, actor role) will be separated and created using its label (e.g. Jane Eyre) and its value (e.g. Movie), it will then have an edge created itself and each of the other elements in the line
